Accommodation in Mandurah

Mandurah is a very popular holiday destination particularly at the time of the event and it is recommended that bookings be made well in advance, minimum 10 months. Within close proximity (walking distance) of the club there is lots of choice from camp sites to 5* hotels. The local tourist centre will be able to help find suitable accommodation.

Accommodation close by - hotels, apartments and chalets

Information on the area and accommodation can be found on the following web sites:

www.mandurahwa.info/PeelView/

<http://www.visitmandurah.com/>

<http://www.mandurahholidayaccommodation.com/>

Below are some of the accommodation options available:

Houses to Let:

There are plenty of houses and apartments available to for short term holiday rental in the central Mandurah area. For ease of walking to all facilities we recommend that you look at places bordered by the river to the south, ocean to the west, Pinjarra Road to the west and Stewart / Forrest Street to the North. This puts you no more than 16 minutes walk to the sailing club and all pubs and restaurants. You can venture as far north as Henson Street / Anstruther Road but allow 25 minutes walk.

Three bedroom places range from \$950.00 per week up to \$2800.00 per week. Lots around \$1,600 a week.

Things to consider before lodging an application

Health and character requirements

All visa applicants must be assessed against Australia's health and character requirements. These requirements are designed to protect the safety and security of the Australian community.

Health requirements

As part of the visa application process you may be required to undertake a medical examination, chest x-ray and/or other health checks. The department will advise you of the applicable health checks (if any), based on your individual circumstances.

Information on which health checks may apply to you is available at

www.immi.gov.au/allforms/pdf/1163i.pdf

Character requirements

As part of the visa application process, you must show that you are of good character to pass Australia's character test. Information on the character test is available at

www.immi.gov.au/media/fact-sheets/79character.htm

If you are unsure whether you can pass Australia's character test because of prior criminal convictions, you should lodge a paper-based application at the Australian visa office nearest to your current place of residence, at least four months prior to the event start date.

Contact information for Australian visa offices is available at

<http://www.immi.gov.au/contacts/overseas/index.htm>

Travel sanctions

Nationals of countries subject to travel sanctions may not be permitted to travel to and enter Australia. For information on countries subject to travel sanctions, please see the Department of Foreign Affairs and Trade's website at

http://www.dfat.gov.au/un/unsc_sanctions/index.html

Biometrics Program

From December 2010, Biometrics will need to be collected at an Australian Visa Application Centre for visitors lodging a paper-based visa application from the countries listed at the department's website at

<http://www.immi.gov.au/allforms/biometrics/offshore/countries.htm>

Invitation/registration to attend the event

Although this is a separate process to lodging your visa application, the department may take into account whether you are registered, or have been invited, to attend the event, when assessing whether you meet the criteria for the grant of a visa. Confirmation of registration is required for this event and evidence of this will need to accompany the Business (Short Stay) visa (Subclass 456) application.

Date for lodging paper based applications

All visitors should apply for a visa at least two months prior to the intended date of departure, and four months prior for people with character concerns. Visa applications lodged after 19 August 2011 may not be decided in time for visitors to attend the event.

Obligations of visa holders

On arrival at Australia's border you must identify yourself, present your travel documents, and complete an Incoming Passenger Card (IPC). The IPC requires visitors to declare their health status and any prior criminal convictions. If you do not meet immigration clearance requirements, you may be refused entry to Australia.

More information on immigration clearance processes at Australia's borders is available at

www.immi.gov.au/managing-australias-borders/border-security/air/airport.htm

You must comply with your visa validity and visa conditions while in Australia. For paper-based applications, this information is available either on your visa label or in the letter informing you that you have been granted a visa. For online applications, it is available on the letter or email confirming the grant of your visa. If you breach these conditions, your visa may be cancelled. If your visa expires while you are still in Australia, you become an unlawful non-citizen. Unlawful non-citizens are liable to be detained and removed from Australia.

Need help?

6. Mandurah Container Shipping

Warning!!!

Australia has very strict quarantine restrictions, in order to smooth the movement of containers through customs and quarantine guidelines will be issued to all container organizers once the process has been agreed. The main restrictions affect the frame materials, personal items and launching trolley wheels.

Failure to comply with the guidelines may delay boat arrival, incur additional costs and may result in items being destroyed.

Bikes, untreated wood frames and personal effects cannot enter Australia in the containers.

For detailed information on Australian quarantine rules click [here](#)

Fireball Australia and Fireball International are working with Australian customs and quarantine through our agents to minimise any likely problems.

Dave Coughlin at Tayper has offered to handle freight clearance and delivery to the sailing club for all containers coming from overseas.

Once cleared customs and quarantine the containers will be moved by side loaders to the sailing club eliminating the need for a crane.
