

1979 Fireball National Championship - Final Positions

Note: This results list has been constructed from a faded list of sail numbers/positions (but no names) published in Fireball News compared to the official entry list supplied to entrants by HISC. Competitor details are missing for 10 places although 8 officially entered boats do not cross-reference by sail number. These are noted at the end of this list

Please refer any queries/corrections to the UKFA Archivist (archive@fireballsailing.org.uk)
